Why you should attend...

Great Educational Opportunities

The conference is the biggest educational event of the year. A variety of topics will be explored –from hot topics like cannabis and legislative changes to the always popular legal panel and maintenance/repair issues. The experts discuss challenges, offer practical solutions, and answer questions from the audience.

Renew Existing Connections and Make New Ones

There is no substitution for face-to-face meetings. The conference provides attendees an opportunity to meet with their existing contractors and professionals, mingle with other condo owners and share battle stories, and meet new people. Representatives from the CAO and Condominium Management Regulatory Authority of Ontario (CMRAO) will also be in attendance to answer your questions.

Tradeshow

The tradeshow gives attendees access to businesses with condo knowledge and expertise, which is essential when looking for a contractor or professional you can trust. It also gives exhibitors an opportunity to dazzle and impress with interesting demonstrations, fun games and trivia, and giveaways. Enjoy as exhibitors fight it out to be crowned the “Best Booth”!

Swag and Prizes

As an attendee, your name is automatically entered into the prize draws. Past prizes include televisions, getaway packages, gift baskets, gift certificates and much more! Attendees also have an opportunity to visit the booths to collect swag items and many booths have their own prizes and contests for attendees to enter. You are sure to walk away with something of value (besides new knowledge and connections)!

*We hope you will invest in yourself, have some fun, and join us at the upcoming conference.
