CCI-Grand River Chapter: INDUSTRY & PRODUCT NIGHT JANUARY 29, 2019

The CCI Grand River Chapter had a booth at the sold-out Guelph & District Homebuilders' Association "Industry & Product Night" Tradeshow held at the Guelph Delta Hotel on January 29, 2019. Robert Mullin and Chris Mendes, SV Law, and David Outa, Cowan Insurance, volunteered to explain to attendees what CCI is all about and the benefits of becoming a member of our chapter. Attendees were pleased to take a copy of the Condo News magazine which featured a local condominium community well known in the region. Participating at local events is a great way of connecting with other organizations involved in building and maintaining condominium communities.
