

OBITUARY

Howard Sheppard

It is with sadness we advise our members of the loss of Howard Sheppard, a dedicated member to CCI and volunteer on the CCI-GH Membership Committee.

Howard joined CCI, as it was one of very few organizations that provided up-to-date education on condominium living. He soon thereafter became an ongoing volunteer to give back to the condominium community, and a friend to many in the industry.

Howard was a kind and encouraging soul, and an active Board member for many years at his own condominium, WCC17.

He will be sadly missed by all that new him. We extend his family and friends our heartfelt condolences while they navigate through this difficult time.
