

Getting to Know the Golden Horseshoe Board

Stephanie Sutherland

Q – What is the most interesting aspect of working in the condominium industry?

A – Watching the industry change and evolve, and figuring out how to guide clients through those changes and evolutions

Q – How did you first get involved in CCI?

A – The firm I was working with at the time introduced me to condo law, and through that practice I was introduced to CCI.

Q – What is the best advice you’ve ever received?

A – Almost everything in life (and law) is fixable.

Q – What person living or dead, would you most want to have dinner with?

A – Ruth Bader Ginsburg

Q – What was your first job?

A – Website developer, creating a site of the history and natural environment of the rural, unorganized township where I lived. It was a government project to create work for youth in northern Ontario.

Q – Is there a charitable cause you support? Why?

A – Many! Nearest to my heart are a small animal rescue called All Creatures Rescue, and Guelph Humane Society. Animal welfare is a huge passion of mine, and I love the work that these two organizations do. I also support Red Cross Canada and Amnesty International, and local foodbanks.

Q – What are you most grateful for?

A – My family and friends, including my partner Pete; I have an amazing support network.

Q – What is one sound you love to hear most?

A – My nephew’s giggle

Q – Last movie you saw in theatres?

A – I can’t remember! I think it was Bombshell, about Fox News and Roger Ailes.

Q – What’s the last country you visited?

A – Sadly, just the United States, nothing that exciting.

Q – Are you a spring, summer, fall, or winter? Please share why.

A – Summer. I love the heat, and sun, and being out on or by the water, and the lush green grass and trees and beautiful gardens.

Q – What advice would you give your younger self?

A – Have more adventures. You have the rest of your life to be serious and responsible.
