Summer is here and with summer this year, we finally have minimal covid restrictions. It's been a long 28 months, but we have endured these challenges. Although caution still needs to be taken, it is certainly great to be out and about with friends and family again. In person events and gatherings are wonderful to attend, not to mention being able to travel again.

Our Board members and volunteers have been very busy this past spring. The Golden Horseshoe chapter continues to hold numerous educational sessions and webinars for our members. We hope that you are enjoying the topics that are being presented and if you have any suggestions for new topics, please let us know. We welcome your input. Remember if you miss any of the sessions, they are recorded and able to view on the CCI Golden Horseshoe website.

Our Board of Directors continue to meet monthly to discuss local, provincial, and national condo issues. CCI Ontario is currently working to standardize the education program for CCI members throughout Ontario. We support their endeavour and look forward to these programs being introduced soon. CCI National is also currently working to standardize how chapters across the country operate. All chapters participate in this process which is establishing policies and procedures for each Chapters' Administrators.

Our conference in early March 2020 was one of the last public events that many of us attended before covid took over our lives.

We are all now getting very excited about our first post-covid, in person conference. This will be held on September 16th at the OE Conference Centre on Bronte Rd just south of the QEW. The conference committee is busy preparing exciting topics for the days' sessions. Sponsors are signing up and the booths will be going quickly as well. Please reach out to the conference committee if you want to provide a sponsorship or obtain a booth for a terrific day of networking with our condo boards and property managers. We look forward to seeing you all there. Save the date, more information will be coming out soon!

We thank everyone who has followed up on completing their annual CCI membership renewals this spring. If you have not yet renewed your membership, we encourage you to do so. If for some reason, you have not received your renewal information, please reach out to us and we will send you another renewal form. Without your support, CCI and our important education events would not exist. If you know board members in other condos who are not members, please share with them the great value that CCI Golden Horseshoe provides.

In closing, I again want to thank my fellow board members, all of our committee members and all of the guest speakers at our events. Without you volunteering your time, our chapter would not be as successful as it is.

Thank you and I hope everyone has a safe and wonderful summer!

Sandy Foulds, RCM, B.A.
